Quality Policy Statement

BUITEMS contributes in defining standards and systems for the up-lift of socio-economic order through quality education and services by:

- Providing an environment conducive to learning, teaching, academic inquiry and innovation
- Maintaining academic excellence and professionalism
- Adhering to established systems for ensuring good governance for management and transfer of knowledge
- Benchmarking with other leading institutions of higher education for improvement
- Enhancing efficient and effective operations by encouraging participation of stakeholders
- Pursuing continuous improvement through creativity, team work and adaptation to change

for

Playing a catalytic role to achieve the national, regional and global harmony.

Contents

Our Foreword

The advent of the convocation of BUITEMS gives us a new sense of elation and importance at having successfully produced another batch of qualified and committed undergraduate and graduate scholars, fit to take up their responsibilities in the nation building ventures of the country. The convocation projects the culmination of sustained hard work in the pursuit of excellence in education which is expected to gear up national growth and economic development. BUITEMS has established traditions of self-confidence and trust-worthy capabilities among its students with focus on meaningful learning and research-oriented approach which are the hall-marks of our educational strategy. Our alumni stand as torch bearers of commitment and self-assurance. They offer new hope to the nation that in spite of the bleak national scenario, they have the urge and determination of steering the nation to equitable renaissance.

In any society, the pursuit of education enhances and broadens the intellectual horizons of the citizenry. Higher institutes of learning help advance new ideas, promote enduring knowledge, assist in inculcation of appropriate moral and ethical values among the students, and sponsor academic excellence and perfection, and the role that

BUITEMS has played on the academic front in Balochistan goes far beyond just the academic and professional training of her students. We believe in constructing a better future. Since its inception in 2002, the University has taken up the monumental task of not only imparting education, but to restore hope in the society. In this connection we are striding by leaps and bounds by not only educating the students in their professional capacity, but equipping them in the art of living. The acknowledgments through various national and international bodies is a testimony of our stern belief in investing in our talented youth. So much so that the UNAI selected BUITEMS as their hub for the SDG 8 – *Decent Work and Economic Growth*! The initiative also endorses the notion of the trust that BUITEMS holds amongst the various institutions working in Balochistan.

This year, BUITEMS holds its 14th consecutive convocation, and our passion to make better efforts renews with every single graduand receiving their degree, every single year. May this be another step towards a better future.

Message

As a Chancellor of the University, it gives immense pleasure to know that Balochistan University of Information Technology, Engineering & Management Sciences (BUITEMS) Quetta is conducting its 14th Convocation in December 2018.

BUITEMS has gone quite beyond the benchmarks that are set for the nascent institutions. It has been expanding its faculties to address and ensure effective providence of the required brains that every country needs to tackle the challenges. In this digital age, BUITEMS is making unmatchable efforts at every possible level to bring about a positive change. This university is without any tinge of doubt serving the people of Balochistan in the real sense of service. It is an asset of the country. But the path that all universities are supposed to be on is an unending one, where every day is a new day and will bring new set of challenges with it.

To all the graduating students, I should say that this is the day that the teaching staff, families and all concerned wait for impatiently because it is the day when all of us set to reap that we have been investing with our time and energies for year. All of you are equipped with the knowledge and skills that ought to be utilized in the practical world. This requires you to let your creativity play an important role by molding all that you have acquired to tackle the upcoming challenges with.

I pray for bright future of the graduates and would like to advise them to continue their educational pursuits with zeal and zest to promote professional skills not only within the province of Balochistan but also for whole of the country.

Honorable Justice (Retd) Amanullah Khan Yasinzai

Governor Balochistan,
Chancellor BUITEMS

Beyond the realm of the ordinary lies the extraordinary, and behind every extraordinary accomplishment of humankind lies education and learning. In this context, it is an occasion of immense happiness for me that our very own hub of education and learning, Balochistan University of Information Technology, Engineering and Management Sciences (BUITEMS), is holding its 14th convocation today.

I send froth my heartfelt and warmest congratulations to the Vice Chancellor, Ahmed Farooq Bazai (SI), Faculty, management and everybody who contributed in the nurturing, care and development of these young minds in any way. I firmly believe that our graduates today will work hard to contribute in a constructive manner in their practical lives towards the prosperity and uplift of the province and the nation at large.

At this occasion, I am also pleased that we have entrusted the destiny of our youth in the hands of competent faculty, management and the Vice Chancellor to guide us home in the face of all odds. As they graduate today, I am sure these young men and women will know that their knowledge and services are needed by the world out there. Therefore, I urge them to offer themselves to their communities in these hard times and not shy away from the responsibilities that they have to shoulder because,

It is the mark of a seriously educated man to remain firm in the face of adversity because true courage is grace under pressure.

Honorable
Jam Kamal
Khan

Chief Minister
Balochistan

Message

It gives me immense pleasure to congratulate the graduating students, the faculty, and the staff of BUITEMS on its 14th Convocation. I also extend rich commendations to the Vice Chancellor and his team for successfully steering 16 years in the life of this institution. This has truly been a remarkable journey. I am aware of the excitement and the enthusiasm with which an event as important as graduation is awaited, and I am pleased to extend my greetings on this significant occasion.

Institution building is both an art and a science: it requires logistics and human resources, but above all it needs a vision and an imagination that soars above the ordinary. It is heartening to know that institutions with a potential for brilliance continue to be built today, not only in the well-developed metropolitan centers of our country but in far-flung areas as well.

In a relatively short period, BUITEMS has emerged as a leader in science and technology education in Balochistan, and indeed in the entire country. BUITEMS today has a vibrant community of thousands of scholars, each exploring the world on their own under the umbrella of this university. Sir Isaac Newton, the famous physicist, and mathematician, once said, "If I have seen future, it is by standing on the shoulders of giants." With this statement, he acknowledged the debt he owed to his predecessors in the world of science. I would like to ask the graduating students of BUITEMS to remember the giants whose achievements have enabled them to see afar, and perhaps one day, they too will be an inspiration to someone else.

Long live Pakistan

Dr. Tariq Banuri

Chairman,
Higher Education
Commission

It is a proud moment for the entire BUITEMS family to hold the fourteenth consecutive convocation. The occasions like this have always been testimony of our commitment to cultivating generations of professionally and intellectually capable Pakistanis. Although the influx and advancement of information and technology today is massively overwhelming more than ever before and fast, but at the same time, it is inevitable for us to respond as a university to educate our youth with all required skills in order to meet the demands and the challenges of modern times. BUITEMS is making every effort to achieve these targets and convocation day is the day when our endeavors come to fruition. I congratulate the entire BUITEMS family for making this happen.

To our graduates, I would like to extend my happiest of felicitations. You dear graduates have made it this far and I have firm faith that you will perform wonders in your life ahead. The world is your canvas, the world is your map, and the world is an undiscovered peninsula for your talented selves. Be the artists, the explorers, the adventurers you always wished to be. Make your parents, your teachers and most importantly yourselves proud. Do keep in mind though; a nation is as good as its individuals. You can be anything you want, but above all choose to be humane. As we need more thinkers and we definitely need more empathizers. I would encourage you to choose a heart beating with compassion over a mind reverberating with unsettling reasoning. Be optimistic and be open to ideas, because this is the real purpose of education. This is what gives worth and value to our degrees.

Once again, I would like to congratulate the students, the parents, and the teachers and BUITEMS family on this auspicious occasion.

Ahmed Farooq Bazai (SI)

Vice Chancellor
BUITEMS

Program

10:30 am	Guests to be seated
11:00 am	Academic Procession enters the Convocation Hall
	National Anthem
	Chancellor Declares the Convocation Open
11:10 am	Recitation from the Holy Quran
11:20 am	Welcome Address by the Vice Chancellor
11:30 am	Conferment and Award of Degrees
12:25 pm	Award of Badges of Honor
12:30 pm	Award of Gold Medals
12:45 pm	Address by the Chancellor
01:00 pm	Prayer (*Dua'a*)
01:15 pm	Academic Procession leaves the Convocation Hall
01:20 pm	Refreshments

- Guests to be seated
- Arrival of the Chief Guest
- Escort of the Chief Guest to the Robing room
- Entry of the two-line Academic Procession into the Convocation Hall

(Procession will be in reverse order of seniority with the Chief Guest and the Vice Chancellor following at the back of the procession. As the procession enters, all guests shall rise and remain so till the Chief Guest and the Vice Chancellor take their seats on the stage)

- National Anthem begins
- Declaration of Opening of Convocation (by the Chief Guest)
- Conferment of Degrees / Gold Medals
- Declaration of Closing of Convocation (by the Chief Guest)

(The rest of the events falling between will follow as per the program list)

Conferment of Degrees (Announcement)

Presentation of the MS, MBA, BS graduands to the Vice Chancellor by Dr. Faisal Ahmed Khan

For Master of Science graduands

Dr. Faisal Ahmed Khan: Sir, I present to you the candidates who fulfilled all the requirements for the grant of the degree of Master of Science in their respective disciplines. I request you to confer the said degrees on them.

Vice Chancellor: By the virtue of the authority vested in me as the Vice Chancellor of the University, I confer upon you the Degree of Master of Science in your respective disciplines and charge you to prove yourself worthy of the same, through appropriate professional behavior.

For Master of Business Administration graduands

Dr. Faisal Ahmed Khan: Sir, I present to you the candidates who fulfilled all the requirements for the grant of the degree of Master of Business Administration. I request you to confer the said degrees on them.

Vice Chancellor: By the virtue of the authority vested in me as the Vice Chancellor of the University, I confer upon you the Degree of Master of Business Administration and charge you to prove yourself worthy of the same, through appropriate professional behavior.

The recipients of the degrees will bow to the Vice Chancellor and take their seats.

For Bachelor of Science graduands

Dr. Faisal Ahmed Khan: Sir, I present to you the candidates who fulfilled all the requirements for the grant of the degree of Bachelor of Architecture, Bachelor of Fine Arts and Bachelor of Science in their respective disciplines. I request you to confer the said degrees on them.

Vice Chancellor: By the virtue of the authority vested in me as the Vice Chancellor of the University, I confer upon you the Degree of Bachelor of Architecture, Bachelor of Fine Arts and Bachelor of Science in your respective discipline and charge you to prove yourself worthy of the same, through appropriate professional behavior.

Conferment of Degrees

(Announcement)

The recipients of the degrees will bow to the Vice Chancellor and take their seats.

DUA'A

We bow our heads in gratitude to Allah Almighty for the blessings of the fruition of our endeavors and dedication in the pursuit of knowledge. May Allah lead all of us on to the path of righteousness and virtue and guide us on the way of utilizing our knowledge in our practical lives. May further honor and glory come to the recipients of degrees today and may they serve the nation and the country in true spirit of faithfulness.

Allah! Inspire these young men and women with the earnest desire of expanding their knowledge further and give them the capability of contributing positively to their respective branches of study. Allah! mould their minds and hearts according to the teachings of Islam and make them follow the path of truth with zeal and determination. Oh Allah! Inculcate in the minds of these young men and women, the sense of gratitude to their parents, to their teachers and to the Country, which nourished them physically, intellectually and spiritually.

Allah! Endow them with the qualities of humility, simplicity and patriotism and make them aware of their weaknesses, so that they may be able to shun their shortcomings. Allah! Grant them success in every field they go to and make them beacons of light for the succeeding generations of students. Allah! We request thee to shower renown and repute on our University and grant it greater powers to continue spreading light and truth for all times to come.

'Aameen'

BUITEMS Monument

BUITEMS Monument at Takatu Campus symbolizes society's pride, educational advancements and academic excellence. The Monument is represented in unison by a pen, a feather and a paint brush. All the three elements, made of bronze and steel, are combined and encircled by the logo of the University depicting harmony and peace. Each element in itself carries a connotation highlighting the vision and mission of BUITEMS.

The pen and the feather portray an analogy of literary work that encapsulates the soul and spirit of an educational institution whereas the paint brush signifies creativity being the catalytic element of all sciences. The pen, the feather and the paint brush corresponds to positive and constructive sustaining efforts that any society aims for.

Encircling above *objet d'art*, is a brass emblem of indigenous campus life which depicts a bond that transcends time and space and the social/cultural diversity among our students which promote the ideals such as friendship, loyalty, academic achievement and intellectual development, service to the community and the alma mater, honor and integrity, leadership and personal responsibility.

The existence of BUITEMS Monument itself embodies the sense of morality for the University and will endure for the times to come.

ISO 9001:2015
Certified
