Foreword

BUIITEMS is to hold its 18th Convocation in conjunction with its twentieth anniversary—a significant milestone that we achieved with determination, commitment, and excellence. Achieving credibility as a provider of high-quality education in just twenty years is no minor achievement for any academic institution. Since its inception, it has established norms for new educational institutions and gained a prestigious position among national universities.

BUIITEMS has been a beacon of quality education contributing to the socio-economic uplift of Pakistan in general and Balochistan, in particular. The community engagement and social enterprise development initiatives of BUIITEMS through NIC Quetta has gained national and international recognition.

Our scholars continued on purpose, determined to finish what needed to be done to receive their academic degrees. The University is indeed very proud of your achievements; you have now stepped into the real world, where darkness can be dispelled through you as the torch-bearers of the light generated by your Alma Mater over the last two decades. We urge you to take advantage of and contribute to this extraordinary community of 11000+ alumni who began their professional lives at BUIITEMS and form a network that crosses all disciplines and stretches in 26 countries worldwide. BUIITEMS will continue to turn out top-notch professionals, and its graduates will contribute significantly to the nation's growth.

Many congratulations on your accomplishment! Your graduation from BUIITEMS today marks a significant defining moment in your personal life and the lives of others who have supported you in your academic pursuits. You have demonstrated that you have the dedication, imagination, and talent necessary to thrive in your chosen career by achieving this significant goal. The entire BUIITEMS community applauds you on your accomplishments and celebrates with you the importance of this momentous occasion. Your greatest accomplishments are yet to come!

You did it, Graduates! Congratulations!

Message from President Islamic Republic of Pakistan

I am pleased to learn that Balochistan University of Information Technology, Engineering & Management Sciences (BUIITEMS) Quetta is holding its 18th Convocation in conjunction with its 20th anniversary, which I find exciting. I want to congratulate the Chancellor, the Vice Chancellor, the staff, the administration, the graduating students, their parents, and the entire BUIITEMS family on this special occasion.

Achieving credibility as a provider of high-quality education in just twenty years is a remarkable achievement for an academic institution. BUIITEMS has established norms for new educational institutions and gained a prestigious position among national universities throughout the 20 years since its inception. I commend the Vice Chancellor and his team for their dedication to their work and commitment to responsibility in achieving this excellent outcome.

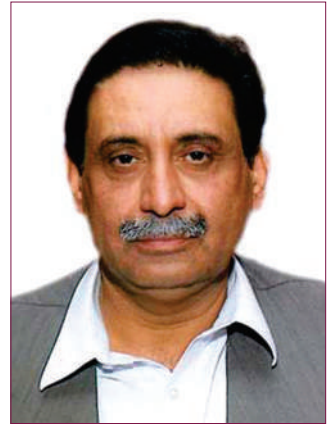

A convocation ceremony is an essential milestone in students' academic careers as they get their hard-earned education degrees after years of hard work and dedication. I encourage the graduates to be prepared for the opportunities and challenges ahead as BUIITEMS Alumni. The alumni continuously inhabit prominent and enviable positions in national and international organizations and perform excellent jobs around the globe. I hope that BUIITEMS will continue to turn out top-notch professionals and that its graduates will contribute significantly to the growth of the province and the nation.

Once again, to all graduands, I offer my sincere congratulations on their academic successes – the culmination of many years of dedication and hard work. However, of course, this is only part of the story. The graduating batch has endured and overcome exceptional uncertainty and challenges. I wish them all the best in their future pursuits.

Dr. Arif Alvi

Message from Governor Balochistan & Chancellor BUIITEMS

It gives me immense pleasure, as the Chancellor of the University, to know that Balochistan University of Information Technology, Engineering & Management Sciences (BUIITEMS) Quetta is conducting its 18th Convocation and has completed two decades of imparting quality education in the contemporary fields of science and technology in the country. On this occasion, I offer my heartiest congratulations to the Vice Chancellor, the management of the University, the graduates, the parents, and the faculty.

BUIITEMS is renowned for producing remarkable graduates in many areas. I urge you to continue with scholarly work and use your award to contribute positively to the community. Your journey at the campus instills the right skills to assist you in the quest to achieve significant milestones in the future. Our graduates are a remarkable group of individuals with outstanding education living in a world that needs them. They have shown the capability and determination to prosper in facing unforeseen obstacles and are ready for what lies ahead.

We also hope these graduates will provide the same assistance to those who adhere to them. They are now members of the BUIITEMS alumni council, a group of over 11,000 ambassadors who, over the last 20 years, have made significant contributions to the country's progress through their distinguished careers, services, and volunteering to the community. You represent the University globally as a member of this alumni council. Your accomplishments will uphold our reputation. Moreover, wherever you go, the BUIITEMS family will be there to support you.

We are so happy to be there to watch you graduate. There are few times in life when you will put as much work into a single accomplishment as you did for the last four years. Today, you have made everyone in your life proud of your achievement and all the effort it took to get here. It is time to celebrate your success! I wish you success in your future endeavors.

Mir Jan Muhammad Khan Jamali

Message from Chief Minister Balochistan

It is an occasion of immense happiness for me that our very own hub of education and learning, Balochistan University of Information Technology, Engineering and Management Sciences (BUIITEMS), is celebrating its day of success by conducting its 18th Convocation. On this auspicious occasion, I extend my heartiest congratulations to the University for bringing hope and a spirit of goodwill to the province and producing a skilled workforce to meet the challenges of the 21st century. I congratulate the graduating students for their excellent performance. I thank their proud parents and dedicated teachers, whose valuable guidance, assistance, and supervision have made their endeavors fruitful.

Education, whether primary or tertiary, is crucial in developing human capital and building healthy economies and harmonious communities. The 21st-century university paradigm has shifted from traditional aspects of teaching and learning to building communities, economies, and leadership patterns. Radical educational reforms need to be initiated so that we can proactively address these challenges.

I send forth my heartfelt and warmest congratulations to the Vice Chancellor, Ahmed Farooq Bazai (HI-SI), the Faculty, management, and everybody who contributed to nurturing, caring, and developing these young minds in any way. I firmly believe that our graduates will work hard to contribute constructively in their practical lives toward the prosperity and uplift of the province and the nation.

Mir Abdul Quddus Bizenjo

Message from Chairman

Higher Education Commission

Balochistan University of Information Technology, Engineering, and Management Sciences (BUITEMS) is celebrating its 18th Convocation and 20th anniversary this year. On this auspicious occasion, I wish to congratulate the Chancellor, Vice Chancellor, the management, staff, graduating students, their parents & guardians, and the entire BUITEMS family for achieving another milestone in their mission to serve the nation in the field of education. In a socially, economically, religiously, and culturally diverse state like Pakistan, higher education institutions and universities, imparting education, and conducting cutting-edge research are the central mechanisms that can raise the country's declining social and economic infrastructure.

Universities are now meeting new expectations due to contemporary advances in science and technology. Higher education no longer focuses solely on disseminating knowledge; it now includes the invention and application of information for the nation's socioeconomic growth.

On this occasion, I would like to tell the graduating students that their focus should be on fostering an entrepreneurial culture. Instead of being job seekers, they should strive to produce jobs through startups.

I am pleased to note that BUITEMS extends support to its students, in collaboration with the Ministry of Information Technology, by establishing a National Incubation Center (NIC). This mega entrepreneurship centre of Balochistan is open to all potential entrepreneurs and has also encouraged students and graduates to plan their startups. The NIC, located on campus, is a pro-innovation hub and business accelerator that provides a platform for budding entrepreneurs to demonstrate their talent and passion for solving the problems of the province and beyond.

I advise the students to continue their mission of lifelong learning as well as disseminate the acquired knowledge to others. I urge them always to make their alma mater proud of them.

I would also like to extend my heartiest felicitations to the Vice Chancellor of BUITEMS, faculty, and staff whose unflinching efforts and consistent determination have made BUITEMS a quality educational institution in education and research in the country.

Dr. Mukhtar Ahmed

Message from Vice Chancellor BUITEMS

It is a time when we can take stock of our services with feelings of fulfillment and triumph. The 18th Convocation of Balochistan University of Information Technology, Engineering, and Management Sciences (BUITEMS), coincides with the completion of twenty years of dedication and commitment to providing quality education to the country's youth. This year, BUITEMS is exceptionally proud to be marking its 20th anniversary – a significant milestone we achieved with determination, commitment, and excellence. BUITEMS is now the trendsetter in establishing innovative traditions of meaningful learning and enviable accomplishments in academic pursuits, research studies, and administrative sleekness.

The University, which began with a modest start of just 90 students admitted into two programs of study, now offers an imposing vista of numerous campuses where more than 12000 students are engaged in worthwhile learning engagements under the direction of over 600 highly qualified and competent faculty members.

No wonder we have grown much faster than other institutes in the country, and our aspiration is to be recognized as an international brand in higher education. It is evident that if we continue to work as a team, building on and utilizing our strengths and overcoming our weaknesses, we can achieve our goals together.

Today is the day of fulfilling a dream that we have been cherishing since October 05, 2002, when the University launched its journey with the mission to provide quality education and contribute to the socio-economic uplift of Pakistan in general and Balochistan in particular. Reflecting on the history of these 20 hard-toiling years, I would like to acknowledge the efforts of all our Students,

Faculty, Staff, and other Stakeholders, whose dedication, loyalty, and commitment made us the brand - "BUITEMS."

To all of them, I extend my heartfelt gratitude for their continued commitment to the University and the cause of education. Now, it has ranked itself among the top-graded universities in the country by providing quality education and meeting the changing demands and hitches of higher education in the 21st century. We intend to provide our teaching faculty and staff with the best available resources, and we are confident to acquire and enhance the skills and potential required for significant contribution to improving the community's socioeconomic conditions.

I feel thrilled today; BUIITEMS Alumni are regarded for having a forward-looking and fervently research-focused approach in their respective professional realms. They are driven to lead and motivate their teammates with a passion for upholding and strengthening the traditions of our great civilization.

As BUIITEMS alums, I sincerely hope you will remain linked in some way to your alma mater. Your academic career is not the only aspect of the BUIITEMS community. It gives you many opportunities to improve your professional and personal development. Our collaborations with corporations and academia and the vast network of more than 11000 alums who hold key positions in national & multinational organizations in 26 countries are now a reachable asset.

On behalf of the BUIITEMS family, I extend my best wishes and warmest congratulations. I hope your dreams take you to the corners of the earth, the highest of your hopes, and the unique places your heart has ever known. Make this nation proud.

You did it, Graduates! Congratulations!

Ahmed Farooq Bazai H.I, S.I

DUA'A

We bow our heads in gratitude to Allah Almighty for the blessings of the fruition of our endeavors and dedication in the pursuit of knowledge. May Allah lead all of us on to the path of righteousness and virtue and guide us on the way of utilizing our knowledge in our practical lives. May further honor and glory come to the recipients of degrees today and may they serve the nation and the country in true spirit of faithfulness.

Allah! Inspire these young men and women with the earnest desire of expanding their knowledge further and give them the capability of contributing positively to their respective branches of study. Allah! mould their minds and hearts according to the teachings of Islam and make them follow the path of truth with zeal and determination. Oh Allah! Inculcate in the minds of these young men and women, the sense of gratitude to their parents, to their teachers and to the Country, which nourished them physically, intellectually and spiritually.

Allah! Endow them with the qualities of humility, simplicity and patriotism and make them aware of their weaknesses, so that they may be able to shun their shortcomings. Allah! Grant them success in every field they go to and make them beacons of light for the succeeding generations of students. Allah! We request thee to shower renown and repute on our University and grant it greater powers to continue spreading light and truth for all times to come.

BUITEMS Monument

BUITEMS Monument at Takatu Campus symbolizes society's pride, educational advancements and academic excellence. The Monument is represented in unison by a pen, a feather and a paint brush. All the three elements, made of bronze and steel, are combined and encircled by the logo of the University depicting harmony and peace. Each element in itself carries a connotation highlighting the vision and mission of BUITEMS.

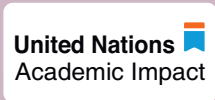

The pen and the feather portray an analogy of literary work that encapsulates the soul and spirit of an educational institution whereas the paint brush signifies creativity being the catalytic element of all sciences. The pen, the feather and the paint brush corresponds to positive and constructive sustaining efforts that any society aims for.

Encircling above objet d'art, is a brass emblem of indigenous campus life which depicts a bond that transcends time and space and the social/cultural diversity among our students which promote the ideals such as friendship, loyalty, academic achievement and intellectual development, service to the community and the alma mater, honor and integrity, leadership and personal responsibility.

The existence of BUITEMS Monument itself embodies the sense of morality for the University and will endure for the times to come.
