Foreword

The re-emergence of an environment of political freedom and the resort to democratic process in the country somehow brought the Balochistan University of Information Technology, Engineering and Management Sciences into fresh lime light. The demand for a more acceptable policy, being an issue for the provincial administration on the one hand, amply demonstrated the trust of the masses in the quality of education being imparted at BUITEMS and, on the other, broadened the scope of access.

The university is holding its 4th convocation in November, 2008 at which Bachelor's and Master's degrees are to be awarded to ---- graduates. It is a matter of great satisfaction for us that our graduates are readily accepted in the jobs market, to the extent that certain organizations like SUPARCO and PCSIR selected our graduates for responsible jobs, even before they completed their programs of studies and got degrees. This is ample proof of the employers' trust in the quality of education provided at this university.

During the year 2008, admissions to the university have been made more accessible to the students from Balochistan by offering more and more opportunities to them. A number of faculty members who were sent abroad for higher studies reported back after completion of their MS programs and are now busy in the task of sharing their newly gained knowledge and expertise with the students. BUITEMS has already managed to develop a critical mass of academic expertise which can he turned to good account for the promotion of excellence in higher studies and research. The impact of this development has started becoming discernible and is likely to make a techno-scientific-industrial break through in the country's least developed region.

There is dire necessity of peaceful atmosphere for the achievement of laudable milestones in our quest for quality. Unfortunately the region has been infected by political unrest and terrorist activities which are a matter of concern for all the patriotic citizens of Pakistan. The prevailing dissatisfactory state of the situation inland and across the borders is a matter of worry for all the forward looking people. Our law and order problems are putting unnecessary strain on our much needed financial resources which are rapidly shrinking and marring the process of the cherished development.

In spite of all resource restraints and upheavals, we are steadily pursuing the cherished objectives of equipping our students with the art of living as competent and productive members of the society, contributing to the intellectual as well as socio- economic uplift of Pakistan.

Message from Hon. Asif Ali Zardari President of Islamic Republic of Pakistan

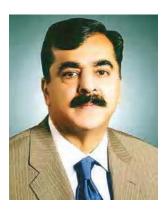

I am pleased to learn that the Balochistan University of Information Technology Engineering & Management Sciences, Quetta is holding its 4th convocation today and wish to congratulate the graduating students on their success.

Keeping in view the prompt acceptance and absorption of the previous graduates in the job market, it is indeed a landmark in the history of Balochistan University of Information Technology Engineering and Management Sciences, Quetta That the 4th convocation is being held and a new batch of

more than 400 graduates is being ushered into the domain of practical service. I extend my heartiest greetings to all of them and hope that they would face thechallenges of the future with courage and assurance, and consolidate the achievement of their predecessors.

On this occasion I congratulate the Governor Balochistan who is also Chancellor of BUITEMS. The Vice Chancellor as well as the faculty on the successful accomplishment and hope that excellence in education and research will continue. I also congratulate the parents and guardians of the graduating students for their sacrifices enabling them to witness this day. I hope that BUITEMS will keep on producing professional of excellence and the alumni will play a pivotal role in the development of the province and the country.

I take this opportunity to extend my felicitations to the Management and staff of the Balochistan University of information Technology Engineering & Management Sciences on the eve of their 4th convocation.

It is heartening to note that this Institution is living upto its avowed mission of providing quality education to the students on modern lines. The world is changing fast and with this the human resource requirements are also undergoing changes with equal pace. Our universities need to

produce graduates who are well equipped with skills and capabilities to meet the requirements of the global needs. BUITEMS is striving hard to live upto these expectations, in a part of the country which unfortunately remained neglected in the academic field in the past.

I am pleased to learn that the Balochsitan University of Information Technology, Engineering & Management Sciences is growing both physically in the form of expansion of Physical facilities, and academically by introducing new programs like Electronic Engineering, Computer Engineering, Petroleum and Gas Engineering, Chemical Engineering and Environmental Studies much needed for the future development of the province as well as the of country.

I must say that the University is doing a commendable job of providing quality education which is evident from the fact that all the previously passed-out graduates have been respectably absorbed in the job market.

I offer warm congratulations to the Honourable Governor Balochistan Nawab Zulifqar Ali Magsi who is also Chancellor of BUITEMS and Engr. Ahmed Farooq Bazai, the Vice Chancellor and the faculty as well as the graduating students on this happy occasion and expect that they will continue excel their performance in future.

Pakistan Zindabad.

It is indeed a matter of great satisfaction for me to note that Balochistan University of Information Technology, Engineering & Management Sciences is holding its 4th Convocation. The University has made significant impression in the sphere of imparting higher education and has cultivated an atmosphere essential for acquiring a high academic standard.

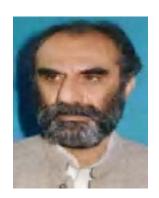

The seemingly nerve-wrecking and endless years of study have come to a short stop for the passing

out graduates and post-graduates, since they are about to enter the practical world with all its opportunities for fame, fortune and success. I congratulate them all on their achievement and I am confident that they will come up to the expectations of their Alma mater, their community and above all, their country. I wish them all great success in their endeavors.

I find this an appropriate occasion to remind ourselves that Pakistan, especially Balochistan, is going through a very critical phase of its existence. The present era has not only opened new vistas of growth but has also laid down various challenges of human resource development, expansion of markets, economic upheavals, global terror networks and above all the challenge of sustained growth & development of Pakistan. Focused ability is required to address these challenges and a host of other related issues. In such dire straits, who would come to Pakistan's rescue? I have firm belief that it is our youth who would be the harbinger of progress and prosperity. Such a moral, righteous and judicious responsibility requires, from the younger hearts of Balochistan, a solid foundation of education, knowledge of technology and ethical training, among other things, I am sure the youth would put their minds and hearts to the task and would do everything in their capabilities to fulfill this vision.

Message from Nawab Aslam Raisani Chief Minister Balochistan

It is a matter of pleasure for me to learn that Balochistan University of Information Technology Engineering and Management Sciences is holding the 4th convocation is the December, 2008. This province cherished the establishment an institution of higher learning which carried the stamp of quality and assurance the establishment of MUITEMS turned this dream into reality. The learned faculty members, the administration and the students of the university are worthy of praise for their devotion to the achievement of the objective of promoting high

academic standards in the province. The vast and fast expansion of the university is an indicator that this institution has made its mark as a prominent seat of learning, worthy of the confidence and expectations attached with it.

It is a matter of pride for all of us that BUITEMS is focused on exposing the students the students to the prospective of advance societies, through the approaches of inquisitive indepth learning, meaningful research and integration of the student's community into academic network available abroad.

On the auspicious occasion of the 4th convocation of the university, I heartily facilitate the university authorities, particularly the young and energetic vice chancellor and the honorable members of the faculty on the tremendous success. This convocation is an affirmation of the devotion and dedication of all the faculty members and therefore, they deserve utmost commendations for their invalidate services rendered for the consolidation of our own intellectual and technical resources. The government of balochistan is sincerely committed to the promotion of higher education and will support all endeavors which lead the achievement of the objective.

I congratulate to passing out graduate and postgraduate with the hope that they would be warmly hailed in the professional circles. This convocation is just the beginning of a new era and I hope that BUITEMS continues to play a leading role in the educational circles of the country.

Convocation 2008

Introduction

Baluchistan University of Information Technology, Engineering and Management Sciences (BUITEMS) was established for the promotion of Higher Education, especially, in the fields of Management Sciences and Technology, by providing solid and disciplined academic environment together with need-based research opportunities, pertinent to the requirements of our economic development, technical and industrial growth. We have accepted the challenge and set to the task of justifying the trust reposed in us. Since

its establishment in 2002, BUITEMS has been contributing to the society through the provision of culturally enlightened, technologically knowledgeable, academically competent citizens, moderate in outlook but intensely research oriented manpower, prepared to lead, to inspire their colleagues and to preserve and build the traditions of our great civilization.

BUITEMS is a multi-campus complex comprising the City campus, Takatoo campus & Hazaar Ganji campus. The University is an equal opportunity institution with academic ambience and disciplined environment as the distinctive features of the campuses. All round academic and intellectual activity keeps the students continuously committed to studies and academic pursuits with adequate scope of participation in co-curricular and extracurricular activities during every semester. Among other features of maintaining traditional values of excellence in teaching, it challenges the conventional practices and creates new ways of developing and delivering instruction and guidance to more than 3500 students on most modern lines with creativity and innovation being the hallmarks. In the light of the basic objectives identified in the university vision, collaborative academic and research schedules/ curricula have been refurbished and links have been established with world's top ranking universities, like the University of Glasgow UK, the University of Minnesota USA, Simon Fraser University Canada, University of British Colombia, Okanagan and the University of Adelaide Australia, etc.

Our success is attributable not only to the provision of physical facilities, like academics buildings, state of the art laboratories, computing environment, students hostels, staff residences, transportation fleet, play grounds, Expo Centre, research centers and laboratories, libraries, medical facilities, electricity, water supply & sanitation systems but we also pride ourselves in having talented and dedicated pedagogues, including the recently returned foreign qualified young and energetic faculty members, after completing higher studies in UK and Australia.

We owe our success to the grace of Almighty ALLAH, Chancellor's support, guidance of our Senate and Syndicate members, tangible encouragement from the Higher Education Commission & Pakistan Planning Commission, our ever-hard working directing & administrative staff and last but not the least, the Community, alike. The University commits itself and all its resources to the trust and responsibility and we know it very well that we still have miles to go.

Order of Proceedings

The 4th convocation of the Balochistan University of Information Technology, Engineering and Management Sciences is being held to Award Degrees to the following: batches in different programs of study.

i.	MBA	05 - S to 07- F
ii.	MBA (B&F)	05 - S to 07- F
iii.	MBA(E)	05 - F to 08- S
iv.	MBA (E)	06 - S to
V.	MS(CS)	
vi.	BS(BA)	04 - S to 07- F
vii.	BS(BA)	04 - F to 08- S
viii.	BS(Bio)	04 - S to 07- F
ix.	BS(CE)	04 - F to 08- S
Х.	BS(CS)	04 - S to 07- F
xi.	BS(EE)	04 - F to 08- S
xii.	BS(Physics)	04 - F to 08- S
xiii.	BS(P&G)Engg.	04 - F to 08- S
xiv.	BS(Textile)Engg.	

Program of the Convocation

Wednesday, December, 2008

09:30 AM Guests to be seated **10:00 AM** Arrival of the Chief Guest

The chief guest will be received by the Vice Chancellor, Deans of the Faculties, the Registrar, the Controller of Examinations and members of the Convocation committee and His Excellency will be escorted to the Robing room. The teacher/officers of the university will then form a two line procession and walk into the convocation Hall in reverse order of seniority, The Chief Guest and the Vice Chancellor will follow at the end of the procession.

10:10 A.M

Academic Procession enters the convocation Hall. As soon as the Procession enters the Hall, all shall rise from their seats and remain standing till the Chief Guest and the Vice Chancellor take their seats on the dais.

(Announcement)

10:14 A.M National Anthem

10:18 A.M The Vice Chancellor requests the Chief Guest to declare

the Convocation open.

Chief Guest "I declare the convocation open"

(Announcement)

10:19 A.M Recitation from the Holy Quran

(Announcement)

10:24 A.M Welcome address by the Vice Chancellor

Convocation 2008

Welcome Address by the Vice Chancellor

Honorable, worthy members of the University Senate, elite dignitaries, distinguished guests, and above all our distinguished students,

Assalam-o-Elakum!

It is a privilege for me to welcome you to the 4th Convocation of the university being held today. We bow our heads in gratitude to Almighty Allah for giving us the courage and capabilities to bring our efforts to the level of fruition in the form of producing young graduates and post graduates. These young men and women, by the grace of Almighty have been academically and professionally groomed to accept responsibilities with confidence and assurance. Our students are groomed in such a way that their minds and capabilities are not confined to the coverage of prescribed courses of studies or to the passing of examinations only. They acquire the power to ponder over the issues related to their relevant field of studies independently on modern lines appreciated and acknowledged all over the world.

Honorable sir.

The stage is set today for awarding degrees to ____(No.)_ young men and women who proved themselves worthy of the award after years of hard work and intellectual input. I congratulate them all on their successful accomplishments. They would now be embarking on the journey of practical achievements. I am confident that, like their predecessors, they would also play their roles in the development of the country meritoriously. They would be looked upon with admiration and hope to fulfill the ambitions not only of their parents, but of the whole Pakistani community, as well.

Respected ladies and gentle men!

The responsibilities of a university are not confined to only imparting academic instructions to the students. Universities are the fountain springs of new knowledge, new discoveries and exploration of new frontiers of information. We at BUITEMS, are constantly focused on creating the culture of research and inquisitive learning. Our students are exposed to real-life issues and conditions for the development of their talents and capabilities. That's why our graduates and post graduates who passed out previously found ready acceptance in the job market. The feedback received about our alumni is really heart-warming and encouraging. Some of our students are picked by prominent employers even before they complete their programs of studies. Organizations like SUPARCO and PCSIR are there to testify this claim.

Honorable sir,

It is gratifying to note that Balochistan University of Information Technology, Engineering & Management Sciences is rapidly advancing towards the goals set for this young institution. Our vibrancy as an academic and research institution is geared by our motto of quality and excellence in education. Thanks to effective planning and dedication of the faculty and administrative colleagues, our educational accomplishments are constantly multiplying.

Respected sir,

An institution of higher education can make its mark only if there is a clear vision and avowed objectives. Our vision is focused on being amongst the leading universities of the world - accessible to all, imparting quality education and promoting cutting edge research. For the realization of this vision, we are depending upon curricula selected in the light of contemporary needs, highly qualified and dedicated teaching faculty, laboratories and latest equipment, library and atmosphere conducive to the promotion of learning. About two years back, we sent a number of our young faculty members for higher studies abroad and it is a matter of elation for us that they performed impressively well and have returned to BUITEMS to add to the brightness of our faculty resource. Our endeavor is to impart quality education to the students within our financial and socio-political limitations.

Honorable sir,

We are committed to inculcate in our students a value system which grooms them into respectable citizens and equips them with skills and proficiency for successful achievement of goals and objectives beneficial for the whole country. Many segments of our diverse society are suffering from lack of tolerance and respect for opinions and rights of others. Sublimation of wild sensibilities and adoption of a tolerant approach are the key to social cohesion and mutual progress. We at BUITEMS are endeavoring hard to instill such essential traits in our students. Only those nations are destined to flourish which build in themselves the capability to compete and surge ahead by dint of hard work and industry. Unless this reality is realized, we'll continue to be chagrined by our approach of seeking favors without rising to deserve any privileged treatment.

Respectable ladies and gentlemen,

I am pleased to bring on record that, within a short period of six years, we have brought about a radical change in the concept of education. We have been inviting researchers, educationists, scholars, mind scientists and intellectuals of national and international fame to address our students and faculty members. The advantages of such addresses have yielded two pronged benefits. On the one hand our people and particularly our students have benefited from the gems of knowledge provided by eminent scholars and on the other hand, the visitors carry glowing impressions about BUITEMS

and serve to spread the repute of this institution far and wide.

Now a word to the passing out graduates,

Young friends, you are the standard-bearers of Balochistan University of Information Technology, Engineering & Management Sciences. We hold you in high esteem and the name of your Alma mater demands you to safeguard her reputation wherever you may be. I expect you to be grateful to those who have contributed to the nourishment of your capabilities. Do not be afraid of competition that comes with the diversity of interests and approaches. According to Aldous Huxlay's views in "Brave New World", those at the top of the bell curve are the most sought out commodities. I strongly recommend to you to keep on with your efforts to be among the best, not only in respect of knowledge, but also in practice. Character, courage, industry and professionalism are the fundamental assets of a successful person. Do not underestimate your potentials; be positive and optimistic and Insha Allah, you'll be able to cruise to greatness.

I once again thank the Honorable Chief Guest ______, excellencies, ladies and gentlemen.

God bless you and Pakistan Paindabad.

Conferment and Award of Degree

Faculty of Management Sciences

The Registrar:

"I request the Dean, Faculty of Management Sciences to present the candidates for MBA to the Vice Chancellor."

The Dean, Faculty of Management Sciences will present to the Vice Chancellor the candidates for the degree of MBA. The candidates will proceed to the front of the dais, in academic costumes for the conferment of the MBA degree.

The Dean, Faculty of Management Sciences.

"Sir I present to you the candidates who have fulfilled the requirements for the grant of MBA degree, to which I pray, they be admitted."

Vice Chancellor:

"By virtue of the authority vested in me as the Vice Chancellor of the university, I admit you to the MBA degree and charge you to prove yourself worthy of the same ever in your practical life and through appropriate professional attitude."

The recipients of the degree will bow to the Vice Chancellor and return to their seats.

The Registrar:

"I request the Dean, Faculty of Management Sciences to present the candidates classes for MBA (Banking & Finance) to the Vice Chancellor."

The Dean, Faculty of Management Sciences will present to the Vice Chancellor the evening candidates for the degree of MBA (Banking & Finance). The candidates will proceed to the front of the dais, in academic costumes for the conferment of the MBA (Banking & Finance) degree.

The Dean, Faculty of Management Sciences.

"Sir I present to you the candidates who have fulfilled the requirements for the grant of MBA (Banking & Finance) degree, to which I pray, they be admitted."

9 Convocation 2008

Vice Chancellor:

"By virtue of the authority vested in me as the Vice Chancellor of the university, I admit you to the MBA (Banking & Finance) degree and charge you to prove yourself worthy of the same ever in your practical life and through appropriate professional attitude."

The recipients of the degree will bow to the Vice Chancellor and return to their seats.

The Registrar:

"I request the Dean, Faculty of Management Sciences to present the candidates for MBA to the Vice Chancellor."

The Dean, Faculty of Management Sciences will present to the Vice Chancellor the candidates for the degree of MBA (Even). The candidates will proceed to the front of the dais, in academic costumes for the conferment of the MBA (Even) degree.

The Dean, Faculty of Management Sciences.

"Sir I present to you the candidates who have fulfilled the requirements for the grant of MBA (Even) degree, to which I pray, they be admitted."

Vice Chancellor:

"By virtue of the authority vested in me as the Vice Chancellor of the university, I admit you to the MBA (Even) degree and charge you to prove yourself worthy of the same ever in your practical life and through appropriate professional attitude."

The recipients of the degree will bow to the Vice Chancellor and return to their seats.

The Registrar:

"I request the Dean, Faculty of Management Sciences to present the candidates for MBA (2 years program) to the Vice Chancellor."

The Dean, Faculty of Management Sciences will present to the Vice Chancellor the candidates for the degree of MBA. The candidates will proceed to the front of the dais, in academic costumes for the conferment of the MBA (2 years) degree.

The Dean, Faculty of Management Sciences.

"Sir I present to you the candidates who have fulfilled the requirements for the grant of MBA (2 years) degree, to which I pray, they be admitted."

Vice Chancellor:

"By virtue of the authority vested in me as the Vice Chancellor of the university, I admit you to the MBA degree and charge you to prove yourself worthy of the same ever in your practical life and through appropriate professional attitude."

The recipients of the degree will bow to the Vice Chancellor and return to their seats.

Faculty of Information & Communication **Technology**

The Registrar:

"I now request the Dean, Faculty of Information and Communication Technology to resent to the Vice Chancellor candidates for the degree of Master of Science in Computer Science."

The Dean, Faculty of Information and Communication Technology will present to the Vice Chancellor, the candidates who will proceed to the front of the dais in academic costumes for the conferment of the degree.

The Dean, Faculty of Information & Communication Technology:

"Sir I present to you the candidates who have been examined and found qualified for the grant of Master of Science degree in computer Science to which I pray, they be admitted."

Vice Chancellor:

"By virtue of the authority vested in me as the Vice Chancellor of the university, I admit you to the Master in Computer Science i and charge you to prove yourself worthy of the same ever in your practical life and through appropriate professional attitude."

The recipients of the degree will bow to the Vice Chancellor and return to their seats.

The Registrar:

"I request the Dean, Faculty of Management Sciences to present to the Vice Chancellor the candidates of Spring 2004 - Fall 2007 batch for the degree of Bachelor of Science in Business Administration."

The Dean, Faculty of Management Sciences will present to the Vice Chancellor, the candidates who will proceed to the front of the dais in academic costumes for the conferment of the degree.

The Dean, Faculty of Management Sciences:

"Sir, I present to you the candidates who have been examined and found qualified for the grant of the degree of Bachelor of Science in Business Administration, to which I pray, they be admitted."

Vice Chancellor:

"By Virtue of the authority vested in me as the Vice Chancellor of the university, I admit you to the degree of Bachelor of Science in Business Administration and charge you to prove your selves worthy of the same ever in your practical life and attitude."

The recipients will bow to the Vice Chancellor and return to their seats.

Faculty of Biotechnology & Informatics

The Registrar:

"I request the Dean, Faculty of Biotechnology and Informatics, to present to the Vice Chancellor, the candidates for the degree of Bachelor of Science in Biotechnology."

The Dean, Faculty of Biotechnology and Informatics will present to the Vice Chancellor the candidates who will proceed to the front of the dais in academic costumes for the conferment of the degree.

Dean, Faculty of Biotechnology and Informatics:

"Sir, I present to you, the candidates who have been examined and found qualified for the grant of the degree of Bachelor of Science in Biotechnology, to which, I pray they be admitted."

Vice Chancellor:

"By virtue of the authority vested in me, as the vice chancellor of the university, I admit you to the degree of Bachelor of Science in Biotechnology and charge you to prove yourselves worthy of the same, ever in your practical life and through your professional attitude."

The recipients will bow to the Vice Chancellor and return to their seats.

Faculty of Information & Communication Technology

The Registrar:

"I request the Dean, Faculty of Information and Communication Technology to present to the Vice Chancellor, candidates for the degree of Bachelor of Science in Computer Engineering."

The Dean, Faculty of Information and Communication Technology will present to the Vice Chancellor, the candidates who will proceed to the front of the dais in academic costumes for the conferment of the degree.

Dean, Faculty of Information and Communication Technology:

"Sir, I present to you, the candidates who have been examined and found qualified for the grant of the degree of Bachelor of Science in Computer Engineering, to which, I pray they be admitted."

Vice Chancellor:

"By virtue of the authority vested in me, as the Vice Chancellor of the university, I admit you to the degree of Bachelor of Science in Computer Engineering and charge you that ever in your practical life and attitude prove yourselves worthy of the same."

The recipients will bow to the Vice Chancellor and return to their seats.

The Register:

"I request the Dean, Faculty of Information and Communication Technology to present the candidates for the degree of Bachelor of Science in Computer Science to the Vice Chancellor."

The Dean, Faculty of Information and Communication Technology will present to the Vice Chancellor, the candidates who will proceed to the front of the dais in academic costumes for the conferment of the degree.

Dean, Faculty of Information and Communication Technology:

"Sir, I present to you, the candidates who have been examined and found qualified for the grant of the degree of Bachelor of Science in Computer Science, to which, I pray they be admitted."

Vice Chancellor:

"By virtue of the authority vested in me, as the Vice Chancellor of the university, I admit you to the degree of Bachelor of Science in Computer Science and charge you to prove yourselves worthy of the same, ever in your practical life and through your professional attitude."

The recipients will bow to the vice chancellor and return to their seats.

The Registrar:

"I request the Dean, Faculty of Information and Communication Technology to present to the Vice Chancellor, the candidates for the degree of Bachelor of Science in Electronics Engineering."

The Dean, Faculty of Information and Communication Technology will present to the Vice Chancellor the candidates who will proceed to the front of the dais in academic costumes for the conferment of the degree.

The Dean, Faculty of Information & Communication Technology:

"Sir, I present to you, the candidates who have been examined and found qualified for the grant of the degree of Bachelor of Science in Electronic Engineering, to which, I pray they be admitted."

Vice Chancellor:

"By virtue of the authority vested in me, as the Vice Chancellor of the university, I admit you to the degree of Bachelor of Science in Electronic Engineering and charge you to prove yourselves worthy of the same, ever in your practical life and through your professional attitude."

The recipients will bow to the Vice Chancellor and return to their seats.

Faculty of Engineering

The Registrar:

"I request the Dean, Faculty of Engineering to present to the Vice Chancellor, candidates for the degree of Bachelor of Science in Petroleum and Gas Engineering."

The Dean, Faculty of Engineering will present to the Vice Chancellor, the candidates who will proceed to the front of the dais in academic costumes for the conferment of the degree.

The Dean, Faculty of Engineering:

"Sir, I present to you, the candidates who have been examined and found qualified for the grant of the degree of Bachelor of Science in Petroleum and Gas Engineering, to which, I pray they be admitted."

Vice Chancellor:

"By virtue of the authority vested in me as the vice chancellor of the university, I admit you to the degree of Bachelor of Science in Petroleum and Gas Engineering and charge you that ever in your practical life and attitude prove your selves worthy of the same."

The Registrar:

"I request the Dean, Faculty of Engineering to present to the Vice Chancellor, candidates for the degree of Bachelor of Science in Textile Engineering

The Dean, Faculty of Engineering will present to the Vice Chancellor, the candidates who will proceed to the front of the dais in academic costumes for the conferment of the degree.

The Dean, Faculty of Engineering:

"Sir, I present to you, the candidates who have been examined and found qualified for the grant of the degree of Bachelor of Science in Textile Engineering, to which, I pray they be admitted."

Vice Chancellor:

"By virtue of the authority vested in me as the Vice Chancellor of the university, I admit you to the degree of Bachelor of Science in Textile Engineering and charge you that ever in your practical life and attitude prove your selves worthy of the same."

The recipients will bow to the vice chancellor and return to their seats.

Faculty of Arts & Basic Sciences

The Registrar:

"I request the Dean, Faculty of Arts and Basic Sciences to present to the Vice Chancellor, candidates for the degree of Bachelor of Science in Physics."

The Dean, Faculty of Arts and Basic Sciences will present to the Vice Chancellor, the candidates who will proceed to the front of the dais in academic costumes for the conferment of the degree.

The Dean, Faculty of Art and Basic Science:

"Sir, I present to you, the candidates who have been examined and found qualified for the grant of the degree of Bachelor of Science in Physics, to which, I pray they be admitted."

Vice Chancellor:

"By virtue of the authority vested in me as the Vice Chancellor of the university, I admit you to the degree of Bachelor of Science in Physics and charge you that ever in your practical life and attitude prove your selves worthy of the same."

The recipients will bow to the Vice Chancellor and return to their seats.

Award of Gold Medals

11:25 AM

Announcement: Ladies and Gentlemen! Quality and Excellence in Education are the motto of our university. We hold those students in high esteem who excelled as students through their high intellectual zest and continuous hard work and acquired top merit positions in various programs of study. It is imperative that their achievements are duly recognized and eulogized. I request the Controller of Examinations BUITEMS to present such model students for the award of gold medals.

Controller of Examinations:

The recipients of Gold Medals are requested to please assemble in front of the dais.

Controller of Examinations:

"Sir, I present to you Mr. Haris Rehman S/o Muzaffar Ali who stood First in Master of Business Administration in session Spring 2005 - Fall 2007, securing 89.2% marks, with a CGPA of 4 out of 4. He is being awarded a Gold Medal in recognition of his outstanding performance."

(The recipient will proceed to the dais in academic costume and remain standing till he is decorated with the Gold Medal by the chief guest. He will then bow to the Vice Chancellor and to the Chief Guests. shake hands and return to his seat.)

Controller of Examinations:

"Sir, I present to you. Ms. Shahina Batool D/o Mohammad Sharif who secured the top position in MBA (Banking and Finance) in the session Spring 2005 - Fall 2007, obtaining 84.1% marks and getting CGPA of 3.94. She has been found entitled to the award of Gold Medal in recognition of her outstanding achievement."

(The recipient will proceed to the dais in academic costume and remain standing till she is decorated with the Gold Medal by the chief guest. She will then bow to the Vice Chancellor and to the Chief Guests, and return to her seat.)

Controller of Examinations:

"Sir, now I present to you, **Mr. Samiullah S/o Sado Khan** whose distinguished performance during the 8 semesters won him the award of Gold Medal in the BS(Business Administration), session Fall 2004 - Spring 2008. He obtained 86.1 % marks with CGPA of 3.98."

(The recipient will proceed to the dais in academic costume and remain standing till he is decorated with the Gold Medal by the chief guest. He will then bow to

the Vice Chancellor and to the Chief Guests, shake hands and return to his seat.)

Controller of Examinations:

"Sir, I now present to you **Ms. Samia Habib D/o Haji Habibullah** who secured top position in BS (Biotechnology) obtaining 82.5% marks with CGPA of 3.83. Her meritorious performance during the session Spring 2004 - Fall 2007 is being recognized with the award of Gold Medal."

(The recipient will proceed to the dais in academic costume and remain standing till she is decorated with the Gold Medal by the chief guest. She will then bow to the Vice Chancellor and to the Chief Guest, and return to her seat.)

Controller of Examinations:

"Sir, I now present to you **Mr. Jibran Paracha S/o Asmatullah Paracha** who secured top position in BS(Business Administration) obtaining 86.7% marks with CGPA of 3.95. His meritorious performance during the session Spring 2004 - Fall 2007 is being recognized with the award of Gold Medal."

(The recipient will proceed to the dais in academic costume and remain standing till he is decorated with the Gold Medal by the chief guest. He will then bow to the Vice Chancellor and to the Chief Guest, shake hands and return to his seat.)

Controller of Examinations:

"Sir, I now present to you **Ms. Hafsa Ashraf D/o Mohammad Ashraf** who secured top position in BS(Computer Science) obtaining 84.6% marks with CGPA of 3.83. Her meritorious performance during the session Spring 2004 - Fall 2007 is being recognized with the award of Gold Medal."

Controller of Examinations:

"Sir, I now present to you Ms. Lubna Ayub D/o Mohammad Ayub Hussain who secured top position in BS(Computer Engineering) obtaining 89.3% marks with CGPA of 3.99. Her meritorious performance during the session Fall 2004 - Spring 2008 is being recognized with the award of Gold Medal."

(The recipient will proceed to the dais in academic costume and remain standing till she is decorated with

the Gold Medal by the chief guest. She will then bow to the Vice Chancellor and to the Chief Guest, and return to her seat.)

Controller of Examinations:

"Sir, I now present to you Mr. Owais Talaat S/o Talaat Waheed Khan who secured top position in BS(Electronic Engineering) obtaining 87% marks with CGPA of 3.95. His meritorious performance during the session Fall 2004 - Spring 2008 is being recognized with the award of Gold Medal."

(The recipient will proceed to the dais in academic costume and remain standing till he is decorated with the Gold Medal by the chief guest. He will then bow to the Vice Chancellor and to the Chief Guest, shake hands and return to his seat.)

Controller of Examinations:

"Sir, I now present to you Mr. Ahsan Khan S/o Gul Hameed Khan who secured top position in BS(Petroleum & Gas Engineering) obtaining 87.5% marks with CGPA of 3.99. His meritorious performance during the session Fall 2004 - Spring 2008 is being recognized with the award of Gold Medal."

(The recipient will proceed to the dais in academic costume and remain standing till he is decorated with

the Gold Medal by the chief guest. He will then bow to the Vice Chancellor and to the Chief Guest, shake hands and return to his seat.)

Controller of Examinations:

"Sir, I now present to you **Ms. Maira Ayaz D/o Ayaz Ahmed** who secured top position in BS(Textile Engineering) obtaining 87% marks with CGPA of 3.93. Her meritorious performance during the session Fall 2004 - Spring 2008 is being recognized with the award of Gold Medal."

(The recipient will proceed to the dais in academic costume and remain standing till she is decorated with the Gold Medal by the chief guest. She will then bow to the Vice Chancellor and to the Chief Guest, and return to her seat.)

Controller of Examinations:

"Sir, I now present to you Mr. Muhammad Jawad S/o Javed Akhtar Khan who secured top position in BS(Economics) obtaining 81.1% marks with CGPA of 3.79. His meritorious performance during the session Fall 2004 - Spring 2008 is being recognized with the award of Gold Medal."

(The recipient will proceed to the dais in academic costume and remain standing till he is decorated with the Gold Medal by the chief guest. He will then bow to the Vice Chancellor and to the Chief Guest, shake hands and return to his seat.)

Controller of Examinations:

"Sir, I now present to you **Ms. Farwa Amjad D/o Amjad Ali** who secured top position in BS(Physics) obtaining 93.6% marks with CGPA of 4.00. Her meritorious performance during the session Fall 2004 - Spring 2008 is being recognized with the award of Gold Medal."

(The recipient will proceed to the dais in academic costume and remain standing till she is decorated with

the Gold Medal by the chief guest. She will then bow to the Vice Chancellor and to the Chief Guest, and return to her seat.)

9 Convocation 2008

Address by the Chief Guest

My dear Engineer Ahmed Faroog Bazai, Vice Chancellor BUITEMS, Learned Faculty Members, successful Graduates & Post Graduates, Distinguished Guests, Ladies and Gentlemen.

Assalam-o-elakum!

It is an exhilarating experience for me to preside over the 4th convocation of the Balochistan University of Information Technology, Engineering and Management Sciences. I am really proud of being present at a ceremony where talented young men and women got the fruit of their hard work and intellectual application in the form of degrees and medals. It is gratifying to note that BUITEMS has taken glorious strides forward since her establishment just a few years hack. No doubt BUITEMS stands as a model institution of higher education. I heartily congratulate you, Mr. Vice Chancellor and your learned faculty on the accomplishment of a valuable task. I can explicitly foresee that this university will develop into one of the renowned universities of the country.

Mr. Vice Chancellor,

Since the universities are the places where much wisdom and knowledge is created and accumulated, the government and the public are justified in expecting them to play their role in moulding the over- all personalities of our youth as well as in guiding the national outlook. We expect the students to have capacity and brains to avail of the educational facilities and the valuable knowledge of the learned faculty members for the sake of preparing themselves to handle the available resources, efficiently. They are expected to deal with the problems of technology demands and problems of commercial, social and political life. At the same time, they should be familiar with the best thoughts of the best thinkers. Their lives should be enriched with the ripest fruits of the generations gone before us. We must want them to be fit in the fullest degree for becoming productive citizen in the community.

The present age is a time of great challenges for our universities, yet as remarked by the modern day sages "we are in an age of possibilities". BUITEMS has opened up a new world of experience and opportunities for the students. I trust that the completion of a BUITEMS degree program will pay them lifelong dividends. A university education remains one of the very best investments, one which generates enhanced career opportunities and an enriched quality of life.

Our society doesn't mean a collection of individuals striving to gain personal material ends. It comprises people, such as you and I, who believe that by working together we can enjoy more meaning full lives, we can build stronger fraternities and we can leave behind a substantial legacy of social harmony and progress in Pakistan for our children and for the children of our children.

Ladies and gentlemen!

The young men and women passing out to day must pledge to put all their knowledge and talent resources for serving the Pakistani nation and winning repute not only for themselves but for their country as well. They owe this debt to their mother land and to their university that they repay it with their high class dedicated services to their fellow citizens and raise the image of their alma mater.

Dear graduates!

These are times of extra - ordinary changes and accomplishments. Everyone of us must make all out efforts to capitalize on the remarkable opportunities available to us and maintain, rather enhance, the fame of BUITEMS as one of the best universities for education, research and knowledge-generation.

Let me end my speech with offering congratulations to the budding graduates who received their degrees and medals today and I wish them ever greater success in future. I also congratulate the Vice Chancellor, Engineer Ahmed Farooq Bazai, his very able management team and highly capable and knowledgeable faculty members on their achievement in the form of producing competent and forward looking builders of the future of this province and this country. I hope such dedicated and quality service to the Pakistani nation will not only continue unabated in future, but will also go on gaining new heights of standard and success.

Thank you. Pakistan Paindabad.

Dua'a

12: 05 PM Announcement

We bow our heads in gratitude to Allah Almighty for the blessings of the fruition of our endeavors and dedication in the pursuit of knowledge. May Allah lead all of us on to the path of righteousness and virtue and guide us on the way of utilizing our knowledge in our practical lives. May further honor and glory come to the recipients of degrees today and may they serve the nation and the country in true spirit of faithfulness.

Allah! Inspire these young men and young women with the earnest desire of expanding their knowledge further and give them the capability of contributing positively to their respective branches of study. Allah! mould their minds and hearts according to the teachings of Islam and make them follow the path of truth with zeal and determination. Ya Allah! Inculcate in the minds of these young men and women, the sense of gratitude to their parents, to their teachers and to the Country, which nourished them physically, intellectually and spiritually.

Allah! Endow them with the qualities of humility, simplicity and patriotism and make them aware of their weaknesses, so that they may be able to shun their shortcomings. Allah! Grant them success in every field they go to and make them beacons of light for the succeeding generations of students. Allah! We request thee to shower renown and repute on our University and grant her greater powers to continue spreading light and truth for all times to come. 'Ameen'.

(Announcement): 12:10 PM: The Vice Chancellorrequests the Chief

Guest to declare the convocation closed.

Chief Guest: I declare the convocation closed

(Announcement): 12:15 PM: The academic procession leaves the

convocation hall. The Chief Guest and the dignitaries infront rows will be followed by the guest, faculty and the students in such a way that the front row are vacated one by one. All those accommodated on the back will

be the last to leave the hall.

12:20 PM: Refereshments **12:30 PM:** Group Photographs

12:45 PM: Departure of the Chief Guest and othe dignitaries,

parents, guests etc.

Our Vision

To be among the leading universities of the world accessible to all, imparting quality education and promoting cutting edge research

Mission Statement

At BUITEMS, we are committed to providing quality education with focus on research and to equip students with the art of living as productive members of society, contributing to the socio-economic uplift of Pakistan in general, and Balochistan in particular
