UAN: 081- 111-717-111

Name		ABDUL REHMAN		
Designation		Assistant professor		
Department		Information Technology		
Faculty		FICT (Faculty of information and communication technology)		
E-mail address		Official	abdul.rehman1@buitms.edu.pk	
		Personal	rehmanquetta54@gmail.com	
Telephone Number		Office Extension	676	
		Mobile	00923458339011	
Qualification				
Year	Degree/Certificate	Name of the Institute/ University	Field of study	
	Post Doctorate			
	PhD	Universiti Teknologi PETRONAS, Malaysia	IT	
	MS/ Mphil	The Balochistan University of Information Technology, Engineering, and Management Sciences, Pakistan.	IT	
	Graduation	University of Balochistan	IT	
Publications in HEC Recognized journals				
S. No	Title of Paper	Name of Journal	National/ International	Publication date
1	CTMF: Context-Aware Trust Management Framework for Internet of Vehicles	IEEE Access	International	2022
2	Context and Machine Learning Based Trust Management Framework for Internet of Vehicles	Computers, Materials & Continua	International	2021
3	State-of-the-art IoV trust management a meta-synthesis systematic literature review (SLR)	PeerJ Computer Science	International	2020
4	Cultural Usability in E-commerce Website Design: Using Objective Characteristics.	Journal of Applied and Emerging Sciences	International	2018
5	Efficient Bandwidth Utilization in DOCS.	Journal of Applied and Emerging Sciences	International	2012
6	Evaluating Cultural Web Usability in Global E-commerce Sites.	Journal of Applied and Emerging Sciences	International	2012

		Sciences		
Paper Presented				
S. No	Title of Paper	Name of Conference	National/ International	Date
	The best path selection using ant colony optimization and message trust in IoV	International Conference on Innovative Computing (ICIC) IEEE	International	2021
	Design Specification of Context Cognitive Trust Evaluation Model for V2V Communication in IoV.	International Conference of Reliable Information and Communication Technology, Springer	International	2019
	VANET thread based message trust model doi: 10.1109/ICDIM.2013.6693972.	Eighth International Conference on Digital Information Management (ICDIM 2013)	International	2013
	User support approach for “Global Users Support Standardization and Establishment Organization (GUSSEO) doi: 10.1109/ICDIM.2013.6693965.	Eighth International Conference on Digital Information Management (ICDIM)	International	2013
	Success Assurance Framework for IT Based Project Management	5th South Asian International Conference (SAICON) on Management, Innovation, Leadership, Economics, and Strategy	International	2013
Books Authored/ Edited				
S. No	Name of book	Publisher	ISBN	
	Advances in Intelligent Systems and Computing (Chapter)	Springer	978-3-030-33581-6	
Work Experience				
S. No	From (year)	To (year)	Name of the Institution/ Organization	Position held

1	2016	Till date	The Balochistan University of Information Technology, Engineering, and Management Sciences, Pakistan.	Assistant professor
2	2013	2016	The Balochistan University of Information Technology, Engineering, and Management Sciences, Pakistan.	Lecturer
3	2010	2012	PAF college air base Samungli, Pak	Lecturer
4	2008	2009	The Educators, Pakistan.	Computer Teacher
Area of specialization			Trust management in IoT based networks	
Research Interest			IoT security, HCI, Intelligent systems	
Future Research Plans			IoV (Internet of Vehicles) security	
HEC Approved supervisor			N/A	
If Yes, provide HEC URL			N/A	
Research grants/ Projects				
Additional Information				
<p>I am interested in research and development, especially in empowering the underdeveloped world with Information Technology. For more than a decade, I have been involved in learning and teaching. My research interests include human-computer interaction, vehicular communication security, IoT information security, and AI solutions.</p>
