

Step-by-Step guide to connect BUIITEMS Smart University WiFi

The screenshot shows the configuration interface for connecting to BUIITEMS Smart University WiFi. The screen is titled "BUIITEMS Smart University" and displays several settings. Annotations with blue arrows point to specific fields and options:

- Identity:** The field contains "e.g. 50999@buitms.edu.pk". An arrow points to it with the text "Type your CMSID@buitms.edu.pk".
- Password:** The field contains ".....". An arrow points to it with the text "Insert Password".
- CA certificate:** The option "Use system certificates" is selected. An arrow points to it with the text "Use system Certificate".
- Domain:** The field contains "buitms.edu.pk". An arrow points to it with the text "Type Domain Name".
- View more:** A link with a downward arrow and the text "View more" is present. An arrow points to it with the text "Click here".
- Connect:** A large blue button labeled "Connect" is at the bottom.

The top of the screen shows the time "10:40", signal strength, Wi-Fi icon, and battery level "71%". The bottom of the screen shows the Android navigation bar with three icons: a home button, a square button, and a back button.
